

Palmer Society Alumnae Endowed Scholarship

Help a Palmer Girl Fulfill Her Dreams

Diamond Dream Campaign

\$50,000 by Whittier Weekend 2017

Why Give?

Palmer Alumnae surveyed overwhelming support giving multiple awards to our deserving Active sisters in the range of \$1,000-\$3,000. Yearly award distributions are based on investment of our Endowed funds and generally run between 3-4%, depending on market performance. Adding only \$50,000 to our Endowed fund allows us to give approximate \$5,000 per year at a performance rate of 3.5%.

How we've made a difference

Since 2010, the Palmer Society has awarded 11 Scholarships distributed over \$15,375.

Our Vision

Beyond making yearly awards, the Scholarship aims to provide an experience to our applicants to help them excel in their goals. Our application features essays based on the real world behavior based question format and requires a resume geared toward their career objectives. Additionally, we recruit mentors to support applicants on the written and interview phases of the application. Finally, we provide constructive feedback throughout so each applicant can develop their skills by apply for the scholarship. Our objective is to help our active sisters be prepared for competitive internships, fellowships, and jobs as well as have the confidence to succeed and break through the glass ceiling.
